

Bell Wire Products Ltd.

"Your Canadian Manufacturer Since 1998"

We're HIRING!
Production Labourer

Do you enjoy a diverse role with work opportunities both in an agricultural and production atmosphere? Are you mechanically inclined, eager to troubleshoot, and learn all parts of the business? If so, we're looking for you!

Company Overview:

Bell Wire Products Ltd., located in Florenceville-Bristol NB is a Canadian supplier of wire products for the Floral, Horticultural, Christmas Greenery and Commercial Freezer Basket Industry. In addition, we operate and maintain a working woodlot as well as Christmas Tree plantation. Bell Wire Products Ltd. has a well-trained team and prides themselves on the quality of their products and service.

Position Details:

- Full-time employment at 44 hours weekly
- Health Benefits available
- Competitive pay
- On-the-Job training provided

Daily tasks:

- Working on a Christmas Tree plantation
- Operating farm machinery in a wood operation
- Production line work inside facility
- Machine set up and operation for wire forming equipment

Candidate must have a valid driver's license, physical capabilities for agricultural and production work, and mechanical attributes.

We thank you for your interest. Please email resumes to mbell@bellwireproducts.com
